CLASS DESCRIPTIONS

AQUA ZUMBA® - The resistance of the water takes fun, Latin dance moves to a new "cool" level in Aqua Zumba®. The moves are slightly slower than on land but the energy level is just as high. Aqua Zumba® is the perfect low impact way to "heat up the pool party!"

BALANCED LIVING YOGA - Opportunity to bring balance postures, balanced breath, and a balanced body into your daily life. This class is designed to be very gentle with chairs available for assistance, if needed.

BARRE FUSION - Blended training designed for the NON-dancer. Uses techniques drawn from pilates, dance and fitness to create a fun and invigorating workout to develop core strength, muscular endurance, dynamic balance and flexibility without the use of equipment or props. Keeps you moving, motivated and mentally focused and leaves no muscle untuned.

BODY PUMP™ - Body Pump by Les Mills is the original barbell class that shapes, tones and strengthens the entire body. It is an active workout that challenges all major muscle groups by using weight room exercises such as squats, presses, lifts and curls. The workout focuses on high repetition movements with low weight loads. This process results in increased strength and lean body muscle conditioning. Participants should be well conditioned and injury free. Ages 15 & under not permitted. Late entry not permitted.

CORE & MORE - Strengthen lower back, abs and glutes in a fun and effective workout. Class will also include "unique" toning exercises, and a comprehensive stretching segment. All levels are welcome.

CYCLE - Cycle is a great way to get fit with 45 minutes of non-impact cardio and 5 minutes stretching at the end. Wear comfortable clothes and pants that are not loose at the ankles and spin shoes or "sneakers". Be ready to move! Please arrive 5 minutes early to set up your bike.

FIT YOGA - Hatha Yoga for the fitness enthusiast! Great for runners and sports buffs who need to stretch, lengthen and improve strength. Great way to compliment other forms of exercise.

GENTLE YOGA - Combines gentle movements with breath. Perfect for beginners, people with specific limitations and those recovering from injury. For those who need them, chairs may be used as an option.

JAB, KICK & CORE - 50 minutes of total body work. This is a fantastic workout to perfectly compliment all exercise programs. Weighted gloves optional.

MAT PILATES - This training helps improve posture and core strength. Exercise modifications make this workout safe for all levels of ability.

POLICIES

- Children 12 & under are NOT permitted in Group Fitness Classes (ages 15 & under NOT permitted in Body Pump classes). Child care is available. Please see the Front Desk for details.
- Space and equipment in classes are allocated on a first come, first served basis. Please arrive at least 5 minutes early to set up your space and equipment.
- Please wipe down equipment with wipes provided and put away after class.
- Please refrain from wearing perfumes during class.
- Passes are required for Zumba® classes, available at the Front Desk 30 minutes before each class for members and 15 minutes beforehand for non-members. Passes must be given to instructor at beginning of class.

PUMP IT UP - Sculpt based class with cardio intervals (high or low impact options) added at regular intervals. This is the perfect class to strengthen muscles, build endurance and burn calories.

SCULPT - Weight training using stability ball, hand weights, body bar, bands and medicine ball. 45 minutes of toning/strength with 5 minutes of stretching at the end. Come 5 minutes early to set up.

STRENGTH PILATES - This class combines the matwork and resistance tools to challenge and build stronger abdominal and back muscles. Enjoy improved posture, flexibility and balance.

STRENGTH & STRETCH - A workout designed for those who are new to class exercise or who are looking for a less strenuous way to strengthen and improve flexibility and balance. Class is 25 minutes of toning followed by 25 minutes of gentle stretching and balance work.

WALK IT OFF - Join the WARF's Water Walking class, "Walk It Off," a resistance training class that utilizes water currents in the facility's lazy river. Use different movements and techniques to maximize your workout.

WATER AEROBICS - Come and join your peers for WARF Water Aerobics. Lose weight, gain condition and get toned in these fun, energetic classes for all ages. Shallow and Deep water classes available.

YOGALATES - This class is appropriate for all levels, but you need to be able to easily get up and down off the floor. This class focuses on strength, flexibility and balance with an emphasis on building core strength. Wear comfortable, loose clothing and plan to remove shoes & socks.

ZUMBA® - Zumba is an aerobic dance class set to South American beats. Here's what participants have to say: "A Latin based cardio workout for ANYBODY!," "A way to dance yourself to fitness, and you don't even have to know how to dance!," "The most fun you can have while you exercise, tone and lose weight!," "Exercise in disguise" "You can't really define Zumba, you have to experience it!"

ZUMBA® TONING - Use light weight toning sticks (optional) for a fun and different cardio sculpting class! Absolutely no experience is needed and all levels are welcome!
